

STEP ONE (15 minutes)

As a group describe situations when your needs and capabilities were NOT considered in the design of the neighbourhood: (For example when you are outside, on the subway, at the park, at school, etc.)

STEP TWO (15 minutes)

As a group describe positive experiences you had receiving support from others in your community when navigating streets in your neighbourhood:

STEP THREE (15 minutes)

As a group think about different ways you can educate the city about your community's needs: (List as many ideas as possible)

Don't let cost, technical issues, materials, rules, regulations, bureaucracy, etc. limit your imagination!

STEP FOUR (30 minutes)

As a group think about different ways that the design of your neighbourhood or technology can help you thrive in the community: (List as many ideas as possible)

Don't let cost, technical issues, materials, rules, regulations, bureaucracy, etc. limit your imagination!
